Learn about sellers and buyers just like you whose lives have been ruined by Windermere Real Estate, AMERICA'S CRIMINAL REAL ESTATE ENTERPRISE.

Windermere is the REAL ESTATE ENRON EMPIRE who promotes a fraudulent marketing commitment to "The Highest Ethical Standards. Uncompromising Honesty and Integrity"...but instead knowingly and deliberately profits on broker and agent liars, thieves, foreclosure rescue rip-off artists, convicted felons, loan scammers, agents with conflict of interest, accused forgers and crooked lawyers who victimize the elderly. Innocent, unsuspecting consumers are then forced by Windermere to chase these swindlers through the courts for YEARS on their life savings, against Windermere dirty tricks, stalling tactics, and its legal war chest.
